What Horses Teach Us 2015 Box Calendar

Synopsis

Horses have much to teach us about what is important in life to cherish, defend, avoid and enjoy in our daily lives. Each of the 314 fullcolor equine photographs in this delightful daily calendar includes a simple, uplifting, daily lesson to live by. Each page also includes ample space to jot memos, appointments and reminders.

Book Information

Customer Reviews

Our location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in Publisher's Weekly. But, a few years ago we did get noticed with the release of Just Labs, a unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 250,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for these high-quality, light-hearted books and feature over 40 such titles in a continually-expanding line.

I get this calendar every year. Wonderful photos and quotes. Very inspirational. I gave as gifts this year and friends loved it as well.

Awesome calendar. I love the different pictures you get everyday. This was a great deal. I'll buy my next one from them next year.

I love the photography and I love the little write-ups that go with each picture. It brings a smile to each and every day.

365 days of beautiful horses to give to my grand-niece, who works at a stable and doesn't have room at home for a horse of her own.
