Customer Reviews

"Fodor's is pitched a few notches higher, aimed at a fairly discerning traveler with an appetite for background and the occasional surprise. New York Times "The Fodor's guides are notable for their ratings of sights, restaurants, shops, accommodations and attractions. Chicago Tribune "In terms of comprehensiveness of coverage, the very accessible format, and the enthusiastic tone, this series remains one of the best on the market. Booklist "Fodor's super-informative guidebooks are known for accuracy and attention to detail. Sacramento Bee "Fodor's can help you plan the perfect adventure. Arizona Republic

For over 80 years, Fodor's Travel has been a trusted resource offering expert travel advice for every stage of a traveler's trip. We hire local writers who know their destinations better than anyone else, allowing us to provide the best travel recommendations for all tastes and budget in over 7,500 worldwide destinations. Our books make it possible for every trip to be a trip of a lifetime.

My grandson is moving to Chicago in the fall. He has grown up in Phoenix and went to College in Evansville IN. Chicago outstrips these stops in size, opportunity and complexity. Fodor Chicago lives up to the reputation of Fodor. It covers the various scenes from art, education, architecture, culture to sports, night life and local color. Clear, and complete, it is a perfect book to learn Chicago.

As usual, Fodor's comes through. Their books are well written, informative and since this is a 2011 edition, probably as accurate as any current guide book. I do a lot of research and I mean A LOT, so I love looking reading guide books. You get ideas that you can either follow through online or use as is. This book covers the usual - hotels, restaurants, sights, transportation etc., but covers them thoroughly, along with other invaluable information. I guess I enjoy reading a good guide book, as much as I enjoy a good novel and I read them cover to cover if they fit my needs and criteria. I used to think that Fodor's books were written only for affluent travelers - WRONG... there is so much that appeals to travelers on all budgets. Of course hotels and restaurants are usually high end, but there are so many other entries and things to do, and pertinent information on your destination that make Fodor's worthwhile for all budgets - and of course if you want to splurge or eat and stay in a higher range, you have those options. I use guide books mainly for things to see and do and for restaurants and out of town trips etc...

This is the third version of Fodor's travel guides I have purchased, I love them. Informative, well laid out, easy to read and full of very helpful insights. A must before you travel to your destination, but good just to research other countries and cultures, based on actual travel experience. I will be purchasing other destinations.

this guide gives all kinds of cool tips for saving time and money in Italy. For example, it shows how to avoid standing in large lines where you might want to visit by phoning ahead or checking online. It tells you how to get free wifi by buying a travel pass in Venice. It has very practical advice and gives fair reviews of hotels and restaurants.

Great book!

Just what I ordered. These water proof cases are great. They protect your phone when ever you are around water and or sand. I highly recommend these. You can also put money or a car key in the case if you don't want to take your purse with you....

Great little book to have. Easy to read and easy to carry.

This Fodor's Travel Guide is just what I was looking for. Very good description of the different neighborhoods of Chicago. Very practical concerning walking itineraries, public transportation, taxis, car and parking info, hotel and restaurant information including the rates. Good information about free concerts, jazz clubs, classic concerts, shopping in the different neighborhoods. The info I found at was OK and I knew Fodor's are good. Good map of Chicago included, easy to handle, good quality, it's not going to tear apart after a few days.
