Trace The Alphabet Letter Tracing Preschool Workbook (Kid's Educational Activity Books) (Volume 5)

Synopsis

Trace the Alphabet Letter Tracing Preschool Workbook for ages 3 and up provides essential practice for tracing and drawing. With over 120 pages of fun activities, this workbook helps young learners build the skills they'll need for kindergarten by first tracing lines and curves, and then actual letters, numbers, and shapes. Simple instructions guarantee success Tips to help your child learn easily Fun pictures to keep kids interested Intro pages to learn to trace Trace letters, numbers & shapes Download & print the pages for extra practice A great attention to detail went into making this tracing book the best it can be. You'll find a dot on each letter to help your child remember where to place the pencil, as well as helpful directional arrows and detailed instruction on how to help your child learn for an easy and pain free introduction to concepts that your child will need to know for kindergarten. This book also has a page with a link to our website where you can download and print the tracing pages for unlimited additional practice.

Customer Reviews

My daughter LOVES to practice writing and THIS book is AMAZING!!!

“My daughter is 3.5 and this book helps her not ONLY practice writing her alphabet but also numbers, shapes AND different lines!! Thank you sooo much for putting this book together!!! I highly suggest this workbook to ANYONE with a preschooler!!!

“

We are having so much fun with this book! My almost preschooler is really into it. Great buy!

Great book! Over 100 pages of tracing. Letters, capital and lowercase, and numbers. Also beginning pages to learn how to trace. Plenty of place to practice and download link to print out and do them again if that's not enough.
