Donald J. Sobol was the author of the highly acclaimed Encyclopedia Brown series and many other books. So fun and engaging. Clean and faith-friendly.

My son loves the Encyclopedia Brown series. He'll often read through the cases, try to figure things out on his own, double check himself with the solution, then read it again just to see how he could catch it again. It is great for him and so I recommend this series and this book.

I think that Mr. Sobol has outdone himself in this volume of the Encyclopedia Brown series. I would recommend this book, and the rest of the Encyclopedia Brown series, to anyone who is looking for a children's version of Sherlock Holmes. HAPPY READING!!!! :D

Fast delivery. My 8 year old is excited to start reading this series.
