Customer Reviews

Joanne Wadsworth is an amazing author. Her books never disappoint and are always full of hunky Highland warriors!! Highlander's Faerie 5++ Stars!! Highlander's Faerie was an amazing book! I was swept right into the Highlands from the first page. Joanne Wadsworth has such a talent for writing Scottish time travel novels. Her writing is so detailed, that you feel as if you are apart of the book yourself. I could picture everything that was described and feel all of the character's emotions as if they were my own! I laughed, cried and my heart hurt throughout the book, along with Katherine and John. I loved Katherine's feisty spirit and her love for John. She was determined not to change the

future but you cannot fight fate. John is you sexy, rugged Highlander who every lass would swoon over. The sparks and connection between Katherine and John are instant and hot! I loved their banter, adventures and interactions. Thank you Ms Wadsworth for another amazing book! I cannot wait for your next one. Highlander's Kiss 5+++ stars!!! WOW!! Highlander's Kiss by Joanne Wadsworth was absolutely amazing! I think it is one of my favorites, so far. Highlander's Kiss is jam packed with time travel, romance, love, war and sexy scenes. Joanne sweeps you into the Highlands of both past and present times. She makes you feel as if you are truly apart of her characters and you will be laughing and crying along with all of them. Julia is a beautiful Fae woman from the past and when she falls and needs stitches, the Fae Angel of Love decides it's the perfect time to deliver her to the sexy, rugged doctor from the future. The sparks fly between these two right away but Julia needs a bit of persuading from the hunky doctor. I was completely consumed by this book and could not put it down! Thank you Joanne for another amazing Highland adventure, I cannot wait for Tor's book. Highlander's Shifter Highlander's Shifter is another amazing book from Ms Wadsworth! Once I started this one, I could not put it down. You will be swept right into the Highlands and never want to leave. I'm thoroughly enjoying the the shifter aspect and love how each warrior has one special soul bound mate that they cannot live without. Jamie and Bella will pull at your heart strings, make you laugh and cry along with them and even take you on a journey through time. Thank you Joanne for another amazing book!!

Loved this box set Joanna Wadsworth weaves a tale that not only draws you in but makes you want it to never end. Love the characters and love the storyline. I couldn't get enough of it.
