Jesus And The Essenes

Synopsis

This extraordinary document represents a new form of historical research, and straightens out many open questions and misinterpretations. It takes the form of direct dialogues between a modern researcher and a member of the Qumran Essene community, alive around the time of Christ. The Qumran Essene community has become the focus of ideas about the connection of Jesus' teachings to earlier traditions. This book gives a full description of the nature and purpose of the community, and the birth and upbringing of Jesus and John the Baptist. Also, it gives Essene renderings of Key Old Testament stories, concerning Moses, Ezekiel, Daniel and others, plus startling insights into ancient history. This information is candid and real, even about the Dead Sea Scrolls, and many Biblical images and statements are corrected and added to.

Customer Reviews

Excellent piece of work. The unseen world we are connected to is fantastic and abounding. Dolores brings many of these things to light in her work, Jesus and the Essenes. For those who realize that

mankind naturally gravitates towards dogma and standardization of everything, it's not a difficult thing to understand that we must continue to search for answers and the truth, even with a wonderful guide such as the Bible in hand. Dolores' work has helped us in this respect and I am thankful.

Wonderful..."the proverbial torch" has been passed on "dedicated to the protection and preservation of knowledge".....Praise God!

I do like this one a lot and recommend it AADeL

Wonderful reading! It was very informative and interesting. I love Dolores Cannon's books.

I chose this rating because it was so credible and thoroughly researched. So much work had gone into this truly amazing important history and true perspective of Jesus's life His true Purpose and Mission. Thank you Dolores and Kathy for your mission in CHRIST. You are Way showers of the Way anew! God Bless both of you for the intensity of your work and revelations. There is also much true correlation with other more recent transmitted books. The latest book to underscore all that is said in Dolores her account are in JESUS MY BELOVED CONNECTION TO HUMANITY AND THE SEA. This came in print 6/21/2012 As narrated by Jesus from across, transmitted to Rev. Cynthia Williams. & Verling Chako Priest.

As a Christian minister looking for more, the premise of historical information regarding the life of Jesus coming through a past life regression fascinated me. With her usual skills through hypnosis, Dolores Cannon literally stumbles on an Essene who was a contemporary of Jesus, and more. The mysticism of this sect was taught to Jesus as a child in the Essene community. Additionally, it is revealed Joseph of Arimathea was a wealthy uncle of Jesus who took him on journeys far away for his metal business. These travels included the instruction of young Jesus by wise teachers throughout western Europe, which resulted in a very learned yet gentle soul with a special calling. The resurrection is completely reinterpreted and squares with what we know today about powers from the realm beyond. Theologians, get ready to have your doctrine challenged with an interpretation of the life of Jesus for the 21st

This is the best description of Jesus and The Essenes I've ever read. The concept of past life

regression is a wonderful tool in unfolding the deepest secrets of our history. I can't stop reading Dolores Cannons books. Excellent work.

Interesting
