Stephen King is the author of more than fifty books, all of them worldwide bestsellers. His recent work includes *The Bill Hodges Trilogy* "Mr. Mercedes" (an Edgar Award winner for Best Novel), *Finders Keepers*, and *End of Watch* and the story collection *The Bazaar of Bad Dreams*. His epic series, *The Dark Tower*, is the basis for a major motion picture starring Idris Elba and Matthew McConaughey. It is also now a major motion picture starring Bill Skarsgård. King is the recipient of the 2014 National Medal of Arts and the 2003 National Book Foundation Medal for Distinguished Contribution to American Letters. He lives in Bangor, Maine, with his wife, novelist Tabitha King.

This is a rewritten version of Stephen King's story. If I had known that I never would have bought the book. There wasn't any information in the description letting buyers know that it's not Stephen King, but a rewrite by a European author.

This story is a children's school reading version, retold by a different author!! So odd and misleading

not to say this in the description. See photo.

Not written by Stephen King! This version has been retold by a hack college professor who is incapable of telling his own tales! Misleading, DO NOT BUY!! You can find the REAL version in Stephen Kings "Different Seasons" which has 4 novellas: The Body, the Shawshank Redemption, Apt pupil and the Breathing Method.

It was excellent

Small book, easy reading; goes along with the movie, Stand By Me.

This is a child's digest, not the original Stephen King novella. To call it a 'reader' does not adequately describe this pitifully tiny volume! It is NOT written by Stephen King, but some unknown 'digest' writer. Beware!

This was a reread.

Absolutely amazing read. I thought it was breath taking
