The Ohio Guide To Firearm Laws: Fifth Edition - Current Through January 2016 And Likely Current Through January 2017

Synopsis

If you carry concealed, keep a gun in your home, or transport firearms between your home and a shooting range, club, or hunting area, YOU NEED THIS BOOK! Written by Ken Hanson, attorney and Buckeye Firearms Association Legislative Chair, *The Ohio Guide to Firearm Laws* is the DEFINITIVE reference. This NEW, updated edition provides simple but comprehensive coverage of Ohio's gun laws ...

- Explanation of general criminal law
- Outline of Ohio's many firearm laws
- Real life cases to illustrate legal pitfalls
- Details on non-handgun concealed carry
- How to apply for a concealed handgun license
- Regulations for legally carrying a handgun
- License renewals, replacements, suspensions, and revocations
- Rules for using lethal force in self-defense
- Liability issues facing every gun owner
- What to do (and what not to do) after a shooting
- Tips for finding high-quality gun training
- The complete text of Ohio's gun statutes

PLUS this must-read guide brings you up-to-date on significant changes over the past 4 years that you need to know ...

- NEW laws for transporting firearms in a vehicle
- NEW laws for restoring ownership rights and sealing records for convictions and pardons
- NEW laws for Ohio's NFA (CLASS III) sign-off procedures
- NEW laws for hidden compartments in vehicles
- NEW laws for how concealed carry reciprocity works with other states

In addition, Ken explains Cleveland's current efforts to pass gun control and the likely outcomes. And you'll get a primer on R.C. 9.68 dealing with the difficult question "If Ohio doesn't have preemption, what exactly does Ohio have?"

Whether you're a private gun owner, firearm instructor, law-enforcement officer, gun dealer, or anyone concerned about understanding and complying with Ohio gun law, this is THE book on Ohio gun law. In simple English, you'll get a better understanding about how the law affects you every day. Click the "Add to Cart" button below to ORDER your copy now.

About the Author: Ken Hanson, Esq. is a former assistant prosecuting attorney and public defender. As Buckeye Firearms Association Legislative Chair, Hanson is recognized as the go-to authority on Ohio gun law and works directly with Ohio legislation, legislative aides, representatives, senators, the attorney general's office, and the media on firearm issues, legislation, and cases. He is a NRA Certified Instructor in multiple disciplines and acts as a legal trainer for other concealed carry instructors. In addition, he lectures community groups and organizations on gun issues and frequently acts as a consultant on political campaigns for sportsmen issues. Hanson was awarded the NRA-ILA Defender of Justice Award for his extensive pro-bono work to improve and defend gun rights, including notable cases before the Ohio Supreme Court and *DC v. Heller*, the landmark case before the Supreme Court of the United States.

Customer Reviews

This is the definitive guide to gun law in Ohio, with an emphasis on concealed carry. I keep a copy in my office and refer to it often whenever I have a question. The Ohio Revised Code is publicly available, but it's not easy to read or understand for the layman. And the law "as applied" isn't something the average person can decipher. The author provides plain English explanations, with examples, to help gun owners understand the laws most likely to affect them and how to best comply and stay legal. I highly recommend this book.

I'm an attorney in Ohio, and this is the definitive guide to Ohio gun laws. Ohio's gun laws are confusing and non-intuitive in many ways (anyone remember the "prudent person" standard we used to have?), and if you have a CCW permit, or own a firearm for self-defense, I strongly recommend this book. It will help you avoid carrying in a situation you should not be carrying, or deploying a firearm in a situation where you are not legally justified to do so. Don't NOT buy this book.

This is a great book if you live in Ohio and are getting your conceal carry license! Ken actually came to my CCW class to speak and do a QA session as part of the class. Reading this book was as

informative and enjoyable as his lecture.
