Born on February 3 in Kumamoto Prefecture in Japan, Mizuho Kusanagi debuted with Yoiko no Kokoroe (The Rules of a Good Child) in 2003. Her other works include NG Life, which was serialized in Hana to Yume and The Hana to Yume magazines and published by Hakusensha in Japan. Yona of the Dawn became an anime in 2014 and is currently airing on Funimation.

The story line is so captivating! The art work is so detailed and helps bring the manga to life. I love the characters and how they have developed!

Love the series and the anime. Can't wait for the entire series to be dubbed and officially released in

English!

Yona is such an interesting character. I like the English translation. It is better than the anime write in. Hal and Tina have an incredibly strong friendship. Han has such a deep love for Yona. The story is political but also about a kingdom in trouble.

Please buy this. Buy all of the Akatsuki no Yona everything. It's amazing and you won't regret it. Maybe in a few years when I can finally read my 7 volumes the anime will get a second season

A wonderful continuation of my favorite series. Things start to pick up as we continue the journey of Princess Yona. I am excited for what comes next! A must read for manga fans. It has something to offer everyone whether you came for the female lead, the bits of shoujo, or even the historical/political drama and action.

I originally read this manga on my phone, so it's awesome to see it in print. The art is so pretty I'll just sit there swooning over it. The best Shoujo manga in my opinion! Very happy to finally get volumes 1 & 2 of it added to my collection. Hope to be able to get 3 soon, and GO MIZUHO KUSANAGI!!! YOU ROCK!!

Awesome book, awesome art.

This is an awesome series. I buy it to support the author for I wish more manga would officially translated. I also buy it for I can have the whole series eventually one place.
