Soft cover book; Hindu teachings.

Sri Isopanisad was written thousands of years ago in the Sanskrit language of ancient India and is the most confidential of the 108 Upanishads. The eighteen jewel-like mantras of Sri Isopanisad can release us from the bleak, unsatisfying conceptions of impersonalism and bring us in touch with the primeval original Personality, who is the fountainhead of all energies. These mantras provide, along with Srila Prabhupadada's illuminating commentaries, key insights into the nature of the supreme intelligence that governs the universe. They teach us that all of our problem's "war, famine, poverty, etc." are the result of our failure to recognize the existence of a Supreme Person, who is the owner and controller of everything. And they show us how to harmonize our actions with the will of the Supreme so that we can easily overcome and eradicate all our difficulties and always live peacefully and joyfully.

The awesome book is real truth and full of real knowledge for one that is on the path of Samadhi.....
