Interviews With The Two Witnesses: Enoch And Elijah Speak- An Excerpt From Great Cloud Of Witnesses Speak

Synopsis

We are living in strange times when life on earth is growing darker and darker, according to Isaiah 60:1. Often, we hear of terror attacks on the news, and we see that mankind is turning away in large numbers from the message of Christ and Christianity. Some years ago, in 2014, Matthew interviewed nineteen saints, which included an interview with Elijah and Enoch, the two witnesses in Revelation 11. Today, so that people don't miss what they have said, Matthew has republished their interviews in this small book. This book will tell you: * What these two men say is important to God* What the future of the earth will look like* The importance of building your life on the rock and* Insight into the thoughts of these two men who will judge the world. In this updated and edited version of the interviews from Great Cloud of Witnesses Speak, you will also be directed to other important books that will teach you how to be a light of Jesus to the world, how to find your purpose on earth, and what the two witnesses will do when they come to earth. In this book, I endeavor to share the hearts and minds of the two witnesses. However, this book is not about what they will actually do on earth. For more information on what the two witnesses will do on earth, read Matthew's book, Optimistic Visions of Revelation.

This book has increased my faith, and I believe every word written in this book as my spirit bears witness to these writings. All I think about now is visiting heaven, and being able to speak to the saints. The word says we will do the works that Jesus did, and I use to think just about healing, but Jesus did so much more. He raised the dead, walked on water, walked through walls. It's time to think out of the box and into the supernatural.

I often wondered why God took Enoch home before his time was up here on earth. I also wondered who the two witnesses in the book of Revelation would be. I guessed correctly. This book answers those questions by the two witnesses themselves. I enjoyed reading Matthew's book and would recommend it to those who also wonder like me!

Mind-blowing and revealing! Putting the puzzle pieces together with an interview with both Enoch and Elijah to make sense out of the witnesses in Revelation.

Another Awesome book that I have read by Matthew Robert Payne! It makes you want to get closer and closer to God!! I highly recommend it!

You are in such a times as this, who is privileged to know beforehand through this book for a preparation within.

The messages we need to know in this last days.

Any book done by Matthew is amazing. Don't stop at just one. I have almost all of his. He gives glory to Jesus.

An amazing insight into the wisdom and the hearts of Enoch and Elijah. Enoch describes how he knew God so well and walked with him in heaven before he died. As you catch his heart for the Lord it will make you want to know God for who He is. It has developed in me a burning passion to really seek after and know God like Enoch did! Elijah also so powerful seemed a distinctly different and unique personality sharing insight into what's to come for us in the future of the earth and how to

really live our lives as Jesus did. This book is chok-a-block full of riches and information on how these great prophets tell us God wants us to truly live and love our neighbour and the unlovely. We sometimes walk by them and not help the needy when we sing songs like I surrender all in church but don't help them out. God wants us to be sincere and genuine. That for me stood out as the main message
