The Wisdom Jesus: Transforming Heart And Mind--A New Perspective On Christ And His Message

Synopsis

If you put aside what you think you know about Jesus and approach the Gospels as though for the first time, something remarkable happens: Jesus emerges as a teacher of the transformation of consciousness. Cynthia Bourgeault is a masterful guide to Jesus's vision and to the traditional contemplative practices you can use to experience the heart of his teachings for yourself.

Customer Reviews

"There are few spiritual teachers who give us genuinely fresh insight, but even fewer who give us the tools so we can come to those insights for ourselves. Cynthia Bourgeault does both, and does them very well!" —Richard Rohr, OFM, author of *Everything Belongs: The Gift of Contemplative Prayer* "A masterful work. Cynthia Bourgeault invites us to follow Jesus's path of self-emptying love, and she describes wisdom practices that we Christians can use every day to transform our own minds so that we too can see with the eyes of Christ." —Jim Marion, author of *Putting on the Mind of Christ* "Bourgeault centers her expansive house of wisdom in the sayings and extraordinary death of the gospel Jesus as she turns light and darkness into a living poetry of self-emptying vision." —Willis Barnstone, author of *The Other Bible*, coauthor of *The Gnostic Bible*

Cynthia Bourgeault, PhD, is an Episcopal priest, teacher, and retreat and conference leader. She is the author of several books, including *Chanting the Psalms and Centering Prayer and Inner Awakening*.

I bought this book in 2011, read it then and have read it twice since 2011, the third time recently. It's the greatest book I've ever read three times and one of the few books that have transformed my life.

Places Jesus squarely in the Wisdom tradition, which Dr. Bourgeault explains very well. She's a wonderful writer. Clear, deep, real, and persuasive. She is a great and original thinker, explainer, synthesizer and an inspiration. The book is a blessing on us.

I got this as a gift for friends, and they love it. They find it to be highly insightful and it enriches their understanding of their Christian spiritual path.

Very insightful book. I love Cynthia Bourgeault's writing

a book to change your life

Intriguing illuminating essays on the teachings of Jesus. I learned a great deal and gained insight into the real wisdom of these teachings that have been in my world. I've never connected with Christian teachings on anything but an intellectual level. However, this book opened me to the spiritual deeper wisdom that is there! I'm actively learning more about it. The author is concise, no nonsense and a true religious scholar. This is a jewel.

Very thoughtful and will require re-reading in order to absorb all the jewels within.
