True Tales Of The Plains (1908)

Synopsis

Colonel W. F. Cody, otherwise known as "Buffalo Bill," is the author of "True Tales of the Plains," and undoubtedly it is all that its name implies. Colonel Cody may never lay claim to the fact that he is an author of renown, but his stories bear the impress of being told by one who "was there" and was there first and did not miss. He may stretch the string just a little, but it never breaks, and is a classic history of the times and places it presumes to represent. As it is, one cannot get away from the claim that it is the record of actual experience. The man who writes the book was there, and if after years have gilded his acts with a halo of romance, it is after all his halo, and it is impossible to deny the gallant old gentleman the use of it. CONTENTS I. How I Killed My First Indian II. My First Trapping Adventures III. Contributed Life Stories of the Narrator IV. A Pony-Express Rider at Fourteen V. Hunting for Bear and Finding Horse Thieves VI. Adventures as a Civil War Scout VII. "Wild Bill" and How He Killed Ten "Bad Men" VIII. My First Meeting with Gen. William Tecumseh Sherman IX.
