Emmanuel's Dream: The True Story Of Emmanuel Ofosu Yeboah

Synopsis

Emmanuel Ofosu Yeboah's inspiring true story \tilde{A} ϕ \hat{a} which was turned into a film, Emmanuel's Gift, narrated by Oprah Winfrey \tilde{A} ϕ \hat{a} is nothing short of remarkable. Born in Ghana, West Africa, with one deformed leg, he was dismissed by most people \tilde{A} ϕ \hat{a} but not by his mother, who taught him to reach for his dreams. As a boy, Emmanuel hopped to school more than two miles each way, learned to play soccer, left home at age thirteen to provide for his family, and, eventually, became a cyclist. He rode an astonishing four hundred miles across Ghana in 2001, spreading his powerful message: disability is not inability. Today, Emmanuel continues to work on behalf of the disabled. Thompson's lyrical prose and Qualls's bold collage illustrations offer a powerful celebration of triumphing over adversity. Includes an author's note with more information about Emmanuel's charity.

K-Gr 2â⠬⠕This powerful and winning picture book tells the story of a young man overcoming the odds. Born in Ghana with a deformed left leg, Emmanuel Ofosu Yeboah experienced stigma as a result of his disability: his father abandoned the family, and many assumed that the boy would be little more than a burden. However, with the encouragement of his mother, Yeboah refused to give up, hopping to school (instead of walking) and even learning to play soccer and cycle, despite receiving no extra help or accommodations. Thompson's lucidly written text explains how Yeboah

cycled 400 miles in 2001 to raise awareness, forever changing how Ghanaians perceived those with disabilities. The narrative is simply and clearly written, and the illustrations are skillfully rendered in charmingly emotive ink and watercolor collages. A brief author's note explains how Yeboah inspired legislation upholding equal rights for the disabled and how he continues to make strides, working with organizations that provide wheelchairs to those who need them and setting up a scholarship fund for children with disabilities. VERDICT This uplifting account will resonate with readers and supplement global and cultural studies. A triumph. $\tilde{A}\phi\hat{a}$ $\neg\hat{a}$ •Kathryn Diman, Bass Harbor Memorial Library, Bernard, ME

This is such a beautiful, true story about overcoming obstacles and perseverance. I was moved to tears by it and my son loves it. I give this book my highest recommendation and an unequivocal 5 stars. Well written, compelling, and inspiring.

This is a lovely story, beautifully illustrated. I sent it to my daughter-in-law who teaches a class for disabled children. She said that they loved the story and that it evoked more conversation than anything she has yet read to them.

Inspiring story, perfect for a child with special needs who must overcome huge obstacles.

The moving true story of a boy in Ghana who has the courage to overcome a disability and become a respected adult.

Beautiful Story!!!GREAT book for KIDS 4-10 years.

True story. Looking for children's book that explained inclusion amongst diverse cultures. Again, very inspiring.

Great story. Shared it with my 4 year old son twice since receiving it today!!! Can't wait to a share it with my students at school. Written by a school social worker.
