Washington Quarter 1932-1958 Collector's Folder (Warman's Collector Coin Folders)

Synopsis

The Washington quarter issued between 1932 and 1964 was the sixth and final type of circulating quarter to contain 90% silver. This three-panel folder is larger than most coin folders, featuring 75 slots for proudly displaying all the quarters of this series in one folder, instead of two. In addition, the folder features details about the design of the quarter and historical highlights about the president the coin honors. It's a great gift for helping someone discover the joy of U.S. coins.

Customer Reviews

Great product just what I needed to complete my coin collection, thanks

I like the Warman Collector's Folders for their quality design. The coins are easy to insert, and the cardboard is firm. These Collector's Folders work great.

Got item by delivery date and like how easy the coins pop in.

perfect. Thank you

This is a great good quality folder to hold your silver quarters. However, it doesn't cover all of the silver quarters. The silver quarters ended in 1964, but this folder stops at 1958, so there is a gap of six years. Other than that this ia a great folder to hold a majority of your silver quarters!
